### COURSE OVERVIEW

Logistics and supply chain management is a continuously evolving and improving function which necessitates learning and adoption of new trends and theories to flourish in global competitive markets. This course is designed to guide the participants along the difficult terrain of Supply Chain Management and Logistics to support their exploration and learning of the emerging theories in logistics, management of the flow of goods, movement and storage of raw materials, work-in-process inventory, and finished goods from point of origin to point of consumption. The course will explore critical aspects like optimal design of supply chain, good vendor selection policy, reverse logistics, risk management issues etc., as applicable to supply chain management. The emphasis in this course will be, to enhance problem solving abilities in practical scenarios. With an excellent blend of theory as well as practical examples and a comprehensive course curriculum, this course will undoubtedly be a very good learning experience for the participants.

The course is built on the expertise of highly distinguished faculty members as well as other stalwarts from academia and industry. The instructors of course are reputed faculties from IITs, IIMs and NITs who along with able resource persons from academia and industry will deliver lectures and conduct hands on sessions during the course. Up to date course material will be provided to all participants presenting an excellent opportunity for a superior learning experience.

### WHO CAN ATTEND?

- Dynamic professionals, executives, engineers and researchers from industry, services, government organizations, and research organizations.

- Academically oriented engineering and management students (graduate, post graduate and doctoral) and faculty members who are working in the area.

Personnel having an aptitude and interests in areas like, logistics, procurement, supplier/vendor selection, etc. or anyone keen to gain in-depth knowledge as well as understand the practicality of supply chain management in our day to day affairs are strongly encouraged to apply for this exclusive and unique course.

### Tentative Speakers

- **Prof. Kripa Shankar, IIT BHU**
- **Prof. Subhas C. Misra, IIT Kanpur**
- **Prof. Vipin B. IIT Kanpur**
- **Prof. Ravi Shankar, IIT Delhi**
- **Prof. Rakesh Naraiyan, MNNIT Allahabad**
- **Prof. Pankaj Srivastava, MNNIT Allahabad**
- **Prof. Tanuj Nandan, MNNIT Allahabad**
- **Dr. Mohit Tyagi, NIT Jalandhar**

### ORGANISING COMMITTEE

<b>Patron</b>	<b>Prof. Rajeev Tripathi</b> Director, MNNIT Allahabad
<b>Chairman</b>	<b>Prof. Rakesh Narain</b> Professor, MED
<b>Convener</b>	<b>Dr. Manish Gupta</b> Associate Professor, MED

### ADVISORY COMMITTEE

- Prof. A. D. Bhatt, MED, MNNIT Allahabad
- Prof. Tanuj Nandan, SMS, MNNIT Allahabad
- Prof. Rajeev Srivastava, MED, MNNIT Allahabad
- Prof. Pankaj Srivastava, MNNIT Allahabad
- Prof. Mukul Shukla, MED, MNNIT Allahabad
- Prof. M. M. Gore, Dean (P&D), MNNIT Allahabad

- Prof. V. K. Srivastava, Coordinator TEQIP-III
- Prof. Geetika, Dean (R&C), MNNIT Allahabad
- Dr. Naresh Kumar, Dy. Coordinator TEQIP-III

#### ABOUT THE INSTITUTE

Conforming to its motto 'SIDDHIRBHAWATI KARMAJA', Motilal Nehru National Institute of Technology Allahabad is churning out engineers, entrepreneurs and social scientists of sterling worth. Today MNNIT stands as an epitome of excellence, knowledge and achievements. The foundation stone of the Institute was laid by Late Pd. Jawaharlal Nehru, the first Prime Minister of India on May 3, 1961 and inaugurated by Late Shri Lal Bahadur Shastri, the second Prime Minister of India on April 18, 1965. Situated at the confluence of three mighty Indian rivers: Ganga, Yamuna and Saraswati, MNNIT boasts of a rich and diverse cross-cultural environment with students coming from across the national and around the globe for various undergraduate, post graduate and doctoral programmes. The Institute's lush green campus spreads over 222 acres with the development of an impressive infrastructure.

#### ABOUT THE DEPARTMENT

The Department of Mechanical Engineering (MED) is one of the oldest departments of the Institute. It offers several programmes that include: four-year full time Bachelor of Technology (B.Tech.) in two disciplines i.e. Mechanical Engineering and Production and Industrial Engineering, two-year full time / three-year part time Master of Technology (M.Tech) in five disciplines: Production, Design, Computer aided design/Manufacturing, Product Design and Development and Thermal Engineering along with the Ph.D. programme. Till date around 105 PhD thesis have been successfully awarded in the department.

#### Accommodation

The boarding and lodging for outstation participants may be arranged on demand in the Institute Hostels or Institute Executive Development Centre (EDC)/ Boys Hostel on an additional payment basis subject to availability.

#### Registration Fees

Category	Fees (INR)
Students	1000
Academia	2000
Industries	5000

#### The amount can be paid by Internet Banking in:

A/c Name: ETLSCM2018  
A/c No.: 718400301000336  
IFSC Code: VIJB0007184

#### Important dates

Last date of Registration 31<sup>st</sup> January 2019  
Intimation of confirmation 07<sup>th</sup> February 2019

#### How to Register

Complete the form by going on the link below  
<https://goo.gl/forms/XFiLnr18tLIBKUNJ2>

Or you can scan and mail filled copy of the form on following address
