Following are the resolutions of the Committee:

- (i) The Committee discussed the case of about 150 students regarding allowing for zero fee registration as given by the Associate Faculty-in-Charge (Admission). Looking at the difficulties arising due to allowing zero fees registration in the previous semester, committee resolved to allow only very genuine cases on individual application in the current semester for zero fees registration.
- (ii) The Committee also took the note of the Fifty-third (53<sup>rd</sup>) meeting of the Senate held on January 18, 2016 resolution No. 53.11 (iii), regarding change in winter time-table and resolved that during winter as for the classes are concerned, time-table may be slightly changed i.e. morning classes of 08:00 a.m. to 09:00 a.m. may be shifted to evening hours during 06:00 p.m. to 07:00 p.m. This is a temporary arrangement and it will be valid only till the mid-semester examination in the current semester.
- (iii) The Committee discussed the cases of various students regarding name correction/change and resolved that these cases be analyzed and rectified by case to case basis in view of records available in the office of the Dean (Academic) received from JoSAA/CSAB/CCMT etc.

Regarding the grade discrepancy reported by students in the subject of Physics, it was observed that number of students got the marks which are at the borderline of grade change, but the compilation done by the department and the concerned faculty member was correct. Hence there was no discrepancy found in grade awarded. However, there seems a lack of coordination in finalization of marks for different components in awarding the grades to such students.

Meeting ended with thanks to Chair.
