Postpone Notice

Dear sir/participants

Due to some unavoidable circumstances the Short-Term Course on "Design of Water Retaining Structure (DWRS-2020)" from November 23–28, 2020, organized by the Civil Engineering Department, is postponed. Tentative new dates will be 8-13 January 2021. New schedule with final dates will be inform after taking approval form competent authority.

with regards

Team DWRS
