DO No. 11-4/2010-U.5

Dear Sir,

As you are kindly aware, a new Central Scheme to provide full interest subsidy during the moratorium on educational loans for students belonging to economically weaker sections (with parental family income from all sources of less than 4.5 lakh annually) from scheduled banks under the Educational Loan Scheme of the Indian Banks' Association (IBA) has been approved for pursuing courses of studies in technical education and professional streams from recognized institutions in India. IBA have now finalized the modalities of implementing the Scheme by all its member Banks, a copy of the Scheme along with modalities of implementation, as finalized by the Indian Banks Association is enclosed for ready reference.

2. You would notice that under the Scheme, proof of income is required to be certified by authorities to be designated by the State Government. The IBA has proposed that in order to ensure uniformity in sanction of interest subsidy on education loans, State Governments may designate an authority or authorities to issue certificates based on income criteria only (that is not the social background). In order to ensure that benefits accrue to eligible students at the earliest, you may like to issue necessary directions notifying the competent authority for income certification, as well as for publicizing the same widely within the State. Since the State Government must have designated certain authorities for the purposes of certification of income under various Central / State sector schemes, you may like to consider designating the same authorities, wherever feasible, for the purposes of certification of income under the present scheme of interest subsidy on education loans as well.

3. I am desired to request you to kindly intimate the designated authority / authorities (at the District / Sub-District / Block, etc. levels) to the District Level Consultative Committees (DLCC) so that banking authorities at the branch level where students would be approaching for availing the benefit of the Scheme, would be aware of the same. As interest subsidy is admissible in respect of education loans approved for the academic session 2009-2010, the interest amount on such loans would be becoming due at the close of the academic session. Your intervention in notifying the competent authority as well as widely publicizing the same through DLCCs for the information of Branch Managers of Banks would, therefore, be crucial in enabling the Central Government to reimburse banks the amount of interest accruing to eligible beneficiaries.

With regards,

Yours sincerely,

(Sunil Kumar)
