Subject:- Rajya Sabha USQ No. 523 to be answered on 17.09.2020 -reg.

Dear Sir/Madam,

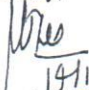

Please refer to your e-mail dated 14.09.2020 on the above mentioned subject. In this connection, the requisite information regarding the Institute is given below:

Sl.No	Particular	Reply
a)	whether it is a fact that a large number of students passing out from engineering and medical institutes such as IIT, NIT and prestigious medical colleges switch to management and administrative services; and	The Institute offers good placements with more than 90% is the Institute students being placed in the reputed industries/ organizations. The median salary of the students placed is 11.594 lakhs per annum. Few of the Institute students go for management and administrative services after completing their education from the Institute. The Institute doesn't have such records after the student passing the Institute.
b)	if so, whether Government would consider to make it mandatory for engineering degree holders and medical degree holders to serve for minimum five years in industrial and medical fields respectively to check the wastage of Government resources spent on such students and to accrue benefits to the industrial and medical field, if so, by when and if not, the reason thereof?	Not related to the Institute

This is for your kind information please.

Thanking you.

Yours truly,

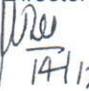

14/11/2020
