#### Agenda Item 1

To finalize the Ph.D. admission criteria for admission in academic session 2021-22.

(Part-time and Sponsored) and MBA (Part-time) programs as per the earlier advertised scheme [Annexure - I], and a hybrid scheme with online interview of the candidates seems to be a feasible solution for the safety issues.

4. For the PhD candidates under categories 11, 12, 13 and 15, the total marks obtained for UG/PG/GATE/NET/Publications (out of 65 marks) alone will be used for shortlisting the candidates for online interview.
5. For the PhD candidates under categories 11 and 12, the total marks obtained for UG/PG/GATE/NET/Publications (out of 65 marks) added to the online interview (out of 35 marks) will be used for preparing the merit list of the candidates (total marks out of 100).
6. For the PhD candidates under categories 13, 14 and 15, the marks obtained in online interview alone (out of 100 marks) will be used for preparing the merit list of the candidates.
7. The candidates under category 15 shall also be evaluated on the basis of Recommendation of their employer and a Statement of Purpose during online interview.
8. The candidates under categories 14 and 15 must submit a No Objection Certificate from employer at the time of interview.

2. The committee discussed the proposed examination scheme and recommended the following as per the presently prevailing COVID-19 situation:  
The End Semester Theory Examination for Final Year B. Tech. students will be conducted as Viva-Voce Examination. The Evaluation will be of 60 marks and will be having following components-

Dear Sir

Minutes of the meeting are alright with me. Minor change as indicated below may be done.

2. The committee discussed the proposed examination scheme and recommended the following as per the presently prevailing COVID-19 situation:

Dear fellow committee members,

Here are my comments.

1. The minutes seem in general okay.
2. For the candidates under category 11 and 12 there is a weightage for UG/PG/GATE/Publications and interview. So all candidates will have to be interviewed.
3. For the candidates under category 13,14 and 15 there are 65 marks for UG/PG/GATE/Publications etc. and 100 marks for interview. It is not clear how the candidates shall be screened from this scheme. Are we calling all candidates for the interview or only above a cutoff? Does it need any clarification?

As per the recommendation of Standing Committee further approval by Chairman Senate the End Semester Examination for Final Year B. Tech. students, is under progress as per the modified evaluation scheme for End Semester Examination. The evaluation scheme has been adopted due to COVID situation across the country. As the situation of COVID across the country is still persisting, it is therefore, proposed to adopt the same evaluation scheme (approved for final year) for all other students for their End Semester Examination (Even Sem.) 2020-21.

Further, I would like to highlight that End Semester Examination of MCA First Semester students is also due and the examination scheme approved for final year cannot be implemented on them, as they do not have desired academic performance indices (Previous CPI, Previous Semester SPI). In view of this, it is proposed to adopt the following scheme for End Semester Theory Examination of MCA first semester:

**Scheme 1**

The Evaluation of 60 marks will be having following components-

- 30 Marks for Viva Voce Examination
- 30 Marks for Quiz based Examination or assignment of practical nature.

Rest 40 marks will be evaluated based on Internal assessment as per the established practices. The Practical Examination conduction and evaluation are to be carried out as done earlier.

The Academic Calendar for various academic activities to be conducted during remaining part of the Academic Session 2020-21, is proposed as Annexure I.

Submitted for your kind consideration and necessary approval.
