

Organizing Committee

Patron

Prof. Dr. P. Chakrabarti, Director, MNNIT, Allahabad

Chairman, Coordinator and Convener

Dr. Anjana Pandey, Department of Biotechnology, MNNIT Allahabad

Co-Coordinators

Dr. Ashutosh Pandey, Department of Chemistry, MNNIT, Allahabad

Treasurer: Dr. Sanjay Kumar, Department of Biotechnology, MNNIT Allahabad

Resource persons

Eminent experts from IITs and Central Universities.

Advisory Committee

Prof. N. D. Pandey, Department of Chemistry, MNNIT

Dr. Shivesh Sharma, Department of Biotechnology, MNNIT

Local organizing committee:

Suman Dolly

Subia Ambreen

M.Z. Shamim

Md. Danish

Pranjali Yadav

Registration fee details

The participants are requested to send their registration fee as DD/cheque in favour of SFC-NBT payable at Allahabad along with registration form. Registration fee is non-refundable in any case.

Fee

Academic/Industrial Rs 2,000.00

Research Scholar Rs. 1,500.00

Students (UG/PG) Rs 1,000.00

Eligibility Criteria of Participants: Young faculties, senior fellows, research scholars, M.Tech., M.Sc and B.Tech students

Last date of receipt of Registration form and fee: January 20, 2015

Interested candidate(s) should send their completed Registration form along with Demand Draft to: Dr. Anjana Pandey (Coordinator), Department of Biotechnology MNNIT, Allahabad 211004.

About the course

The workshop is being organised to bring together experts in the field of Nanotechnology and Biotechnology because term Nanobiotechnology refers to the intersection of Nanotechnology and biology. The purpose of this workshop is to acquaint and accelerate the process of learning in this potentially emerging field of applications. Hands on training will cover the following topics:

- Synthesis and characterization of biogenic silver nanoparticles
- Application of silver nanoparticles
- Synthesis and characterization of iron oxide nanoparticles
- Application of iron oxide nanoparticles
- Synthesis, characterization and potential applications of phosphor nanoparticles

About MNNIT Allahabad

Motilal Nehru National Institute of Technology (MNNIT) Allahabad, India, is an Institute of national and international repute with pursuits for excellence in technical education and research. Established in the year 1961 as a Regional Engineering College (MNREC), the Institute was transformed into a National Institute of Technology and Deemed University in June-2002. The Institute presently offers a considerable number of undergraduate, postgraduate, PhD and research

programs in a spectrum of engineering and science disciplines, management etc. In its pursuit for keeping pace with the ever evolving technological world, the Institute also nurtures collaborative activities with eminent academic/industrial Institutions, through joint research and organisation of events for dissemination of new knowledge.

Self Financed Short Term Course

on

“Nanobiotechnology”

January 23-January 29, 2015

Organized by

Department of Biotechnology

Motilal Nehru National Institute of Technology

Allahabad-211004, India

Contacts (Course Coordinator & Convener):

Dr. Anjana Pandey

Department of Biotechnology
Motilal Nehru National Institute of Technology
Allahabad-211004, India
Email: apandey70@rediffmail.com
